Following a period of 4 months of full-time attendance your child will earn 6 days of vacation time to be used at your discretion. Requests to use these days must be put in writing and submitted in the payment box. These days will be available on a calendar year basis, expiring on Dec. 31st of each year. Families that join during the year will be given vacations days on a prorated basis following the initial 4 months. Vacation days can be used as full days only. You can use these days to cover the cost of days your child is sick, holidays, or vacation of your family. Your child cannot attend any part of the day you use as a vacation day. All days are paid days unless a vacation day is used.
